### EUREKA! (EUR)

Half Day or Full Day Camps for Grades 1 - 6

Discover - Create - Invent! To complete a series of team-based challenges campers have only basic materials, simple machines, tips from world famous inventors and the most important thing of all – their minds. \$30 equipment fee.

### NASA: JOURNEY INTO OUTER SPACE (NASA)

Half Day Camp for Grades 1 - 5

From our Earth's atmosphere to the outer reaches of our solar system, this hands-on program sends campers on a quest for exploration! Comets, planets, stars and more are all waiting to be discovered. Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch! Additional \$15 Equipment Fee.

### RED HOT ROBOTS (RHR)

Half Day or Full Day Camps for Grades 2 - 6

**New robot for 2010!** Join us for a week of fun with amazing robots! Experiment with sound sensors, line-trackers, and even robots that play soccer! Then program a robot to dance. Use your skills to build your very own programmable robot to take home with you! NOTE: there is a \$30 Equipment Fee in addition to the cost of the camp. **Open to grades 2 – 6**

### SECRET AGENT LAB (SAL)

Half Day or Full Day Camps for Grades 1 - 5

James Bond? MacGyver? Austin Powers?!? From secret communications and detective crime science to the inner workings of our cells and cool chemistry. Each day we sleuth out the answer to many of life's mysteries! \$15 Equip. Fee.

### **NEW!** SUPER-DUPER SCIENCE SAMPLER (SSS)

Half or Full Day Camps for Grades 1 - 5

Discover what owls eat in Bird Biology; create amazing concoctions in Crazy Chemistry; build towering structures in Jr. Engineers; pan for gems and make your own volcano in Earth Science; and perform the Great Table Cloth Tug in the Physics of Newton. It's a camp so great it's Super-Duper! Additional \$15 equipment fee.

**"My son had a fabulous time - and he learned a lot, too!"**
