**NEW! MECHANICAL MARVELS AND MORE (MMM)** Half Day or Full Day Camps for Grades 1 – 5

From the simplest machines that helped build the pyramids to rocket engines that leave the Earth, discover how science and engineering go hand in hand in this camp as we investigate how things work. We will build our own Camera Obscura, solar race cars, model rockets and even a roller coaster! Additional \$20 Equipment Fee.

**CRAZY CHEMICAL CONCOCTIONS (CCC)** Half Day Camp for Grades 1 - 5

From the lab to the kitchen, this half-day camp explores how chemistry affects our everyday lives. Every day is loaded with hands-on activities and cool demonstrations. Your junior chemist will work with real lab tools, conduct experiments with all the states of matter, explore their home lab - the kitchen - and even create chemical works of art. Additional \$20 Equipment Fee.

**RED HOT ROBOTS (RHR)** Half Day or Full Day Camps for Grades 2 - 6

Join us for a week of fun with amazing robots! Experiment with sound sensors, line-trackers, and even robots that play soccer! Then program a robot to dance. Use your skills to build your very own programmable robot to take home with you! NOTE: there is a \$35 Equipment Fee in addition to the cost of the camp. **Open to grades 2 – 6**

**SECRET AGENT LAB (SAL)** Half Day or Full Day Camps for Grades 1 - 5

James Bond? MacGyver? Austin Powers?!? From secret communications and detective crime science to the inner workings of our cells and cool chemistry. Each day we sleuth out the answer to many of life's mysteries! \$20 Equip. Fee.

**SUPER-DUPER SCIENCE SAMPLER (SSS)** Half or Full Day Camps for Grades 1 - 5

Discover what owls eat in Bird Biology; create amazing concoctions in Crazy Chemistry; build towering structures in Jr. Engineers; pan for gems and make your own volcano in Earth Science; and perform the Great Table Cloth Tug in the Physics of Newton. It's a camp so great it's Super-Duper! Additional \$20 equipment fee.

**EUREKA! – The Inventor's Camp (EUR)** Half Day or Full Day Camps for Grades 1 - 6

Each day you'll be given a series of challenges which must be overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all – your mind. Construct catapults and storm the fort, fabricate a winning Egg Drop design, create a dancing robot and assemble a working light saber to take home. Additional \$35 equipment fee.
