

Helping seriously ill children and their families cope with their pain, fear, and isolation through entertainment, education, and family activities.

January 6, 2012

Mad Science of Sno-King
1824 130th Avenue NE, Suite 2
Bellevue, WA 98005

Dear Mad Science of Sno-King,

On behalf of Starlight Children's Foundation, I would like to take this opportunity to express our sincerest appreciation for your support and generosity. For more than 4 years, Mad Science has helped Starlight bring smiles to seriously ill children and families. Your contribution has provided continuous impact in the communities in which you live and work.

Mad Science of Sno-King has enabled Starlight to reach **220** seriously ill children and their families through our *Great Escapes* activities in our Washington. Other Starlight programs can be found in the following Seattle/Bellevue hospitals:

Children's Hospital and Medical Center, Children's Hospital Bellevue Clinic, Overlake Hospital, Fred Hutchinson Cancer Research Center, Group Health Central Hospital, Harborview Medical Center, Northwest Hospital, Ronald McDonald House, Seattle Cancer Care Alliance Clinic, Seattle Children's Hospital, Seattle Children's Autism Center, Swedish Hospital Medical Center, University of Washington Medical Center, Virginia Mason Hospital

Thank you for your commitment to Starlight and your community; we are enormously grateful and proud to work with Mad Science. Together we will continue to improve the quality of life for children in Washington with chronic and life threatening medical conditions.

Thank you for making our mission a reality.

Sincerely,

Alison Sadock
Corporate Account Manager, Starlight Children's Foundation
