Woodmere, NY 11598

Dear Claudio,

On behalf of the Children's Department, I would like to thank you for the entertaining and wonderful performance entitled "Fire and Ice Show," which you presented at the Levittown Public Library on November 21, 2004. The children and parents had a lot of fun and really enjoyed the performance. In addition, the show was very informative, educational, and funny. Thank you for helping to make our Fall Family Program a great success.

Thank you again for the wonderful job you did.

Sincerely,

Frances J. Contonzo
Children's Librarian
