MARCH 3, 2007

Dear Mad Science,

We wanted to write and thank you for the wonderful fire and ice show you put on for our 4th graders on 1/30/07. The performer did a fantastic job with the kids and kept everyone interested and entertained. We've been hearing rave reviews ever since. Please feel free to use us as a reference. Hope to see you next year!

Sincerely,

Kathy Sanchez      Laura Eschmann
