Dear Shauna,

On behalf of the Children's Department, I would like to thank you for the wonderful program entitled, "Magical Potions," which you presented at the Levittown Public Library on July 21, 2007. The children really enjoyed seeing and experiencing the chemical potions you showed. In addition, your wonderful rapport with the children greatly added to the overall enjoyment of the show. Without a doubt, it was a pleasure to have you at our library and to see you again.

Thank you again for helping to make our Harry Potter Day a great success.

Sincerely,

Frances J. Contonzo
Children's Librarian
