

Thank you, Mad Science!!

It was such a great party. Within the one and half hours party time, screaming and laughing were filled in my house. All kids attending totally got involved.

William knows how to work with children and makes things enjoyable. He is a hard worker as well. Thank you, William. The parents joined the party all gave you a big applause.

It was really worthy to have Mad Science here with us. My daughter was raising fund for a charity to support the needy children. She was very happy that her friends had so much fun while they supported her to help other children in need.

My daughter joined Mad Science summer camp for the past 2 years. For sure she will go this year again.
