Mad Science of Long Island
P.O. Box 401
Woodmere, NY 11598-0401

Dear Friends at Mad Science of Long Island:

On behalf of the Starlight Starbright Children's Foundation, I would like to sincerely thank you for Mad Science's generous donation of \$59. Your generosity and that of your clients enable us to pursue our mission of helping children and their families cope with the terrifying consequences of prolonged serious illness.

You and your fellow Mad Science franchisees have created a one-of-a-kind *Hospital Happening* event and *Great Escapes* activities for seriously ill children and their family members all across North America. Your effort to raise additional money as well as awareness for Starlight through online fundraising initiatives and through local fundraising efforts to help seriously ill children and their families is truly commendable!

We want you to know how proud we are to have been chosen for a strategic philanthropic partnership between Mad Science and a nonprofit cause. We found the process your company undertook to determine the 'best fit' to be thoughtful and intentional. We are extremely excited about our new alliance. We are also deeply honored that you have selected Starlight Starbright Children's Foundation as Mad Science's national charity partner. We are so grateful that you and your staff have been unwavering in your efforts to get this initiative off to the best possible start. We won't let you down!

Starlight Starbright will remain a source of hope, joy, and empowerment because of the loyalty of friends like you. Together, we can continue to connect seriously ill kids with a community that embraces them today, tomorrow and as long as we are needed. And for this, we thank you.

Best Regards,

Thanks!
