Dear Friends at Mad Science of Long Island:

Thank you for Mad Science's generous donation of \$553 to the Starlight Children's Foundation. Your generosity and that of your clients continues to enable us to pursue our mission of helping children and their families cope with the terrifying consequences of prolonged serious illness.

Your one-of-a-kind *Hospital Happening* events and *Great Escapes* continue to bring smiles to thousands of seriously ill children and their families across the United States and Canada. Your effort to raise additional money as well as awareness for Starlight through online fundraising initiatives and through local fundraising efforts to help seriously ill children and their families is truly commendable!

Thank you again for your generous and steadfast commitment to Starlight. I look forward to our continuing to work together to bring education, entertainment and empowerment to more children, families and hospitals in more communities as long as we are needed.

Best Regards,
