Jessica,

Just wanted to thank you for your help this morning.

I can imagine that most of the unsolicited letters you receive are to complain about something. However, I wanted to share with you that Sharon, today's Mineral Mania presenter, was fantastic. The teachers, students and PTA were all very appreciative of her expertise. It was one of the best science programs we have had in the school.

Please convey our thanks to her as well. Looking forward to seeing you soon.

All the best,

Lois
