

HELP WANTED!

**DO YOU WANT TO HELP BRING
FUN SCIENCE PROGRAMS
TO ELEMENTARY SCHOOL CHILDREN?**

MAD SCIENCE[®] ADOPT-A-SCHOOL PROGRAM

Mad Science[®] is the world's leading provider of educational science enrichment programs for elementary school-aged children. We're currently looking for community-minded businesses, organizations and individuals to sponsor our exciting science programs in financially challenged schools throughout the Windsor-Essex and Chatham-Kent areas.

What is it?

Mad Science[®] of Windsor is proud to announce a new collaborative program that will allow local businesses, organizations and individuals to sponsor exciting and educational science programming for elementary schools that otherwise might not be able to afford it. The Adopt-a-School program provides a mechanism for sponsors to support their community by providing elementary schools with the gift of science enrichment programs.

How does it work?

Local elementary schools advise Mad Science[®] of Windsor of their interest in participating in the program. A sponsor then picks one or more schools to "adopt" and then chooses the programming options and the level of support that they wish to provide. The donation is made out to and then sent to the school, Mad Science[®] of Windsor conducts the specified program(s) at a discounted rate and the school makes arrangements for a receipt to be sent to the sponsor.

After School Programs, Assemblies and Special Events, In-class Workshops
