

NEW! Mad Lab Programming at Mad Science® of Windsor!

What is the "Mad Lab"?

The "Mad Lab" is our new show floor and presentation area at the new Mad Science® of Windsor office at 4600 Rhodes Drive in Windsor.

It's where we'll be offering a wide range of on-site programming, birthday parties, special events, After School Programs and unique activities that are different from the school-based programming we present. We'll also be adding new all-day programming for P.A. days, Christmas Break and March Break.

Keep checking our website since we'll also be surprising you with new and exciting programming as new activities are added on a regular basis!
