**Sensational Science:**

**Harnessing Heat**

Take on temperature! Shake up a storm and see how friction creates heat. Feel how hot and cold can change at a touch. Apply your red-hot knowledge on your very own **Heat Sheet!**

**Lights... Color... Action!**

Celebrate the science of color! Split your name in ink and reveal numbers with color filters. Make a rainbow out of white light and try on diffraction lenses. Color the world with your very own **Technicolor Blender!**

**Magnetic Magic**

Explore the power of magnets! Create electromagnets and control a compass needle. See a magnetic accelerator in action. Take home your very own **Magnet Lab** to continue your research!

**Mission: Nutrition**

Step into some healthy habits! Put together a food pie and lay out a perfectly proportioned meal. See how much energy burning calories can give you. Clip on your **Step-O-Meter** and walk on!

**Optical Illusions**

Work against your eyes! Trick your brain with lines and coils. Discover how mirrors and their reflections can play tricks on what you see. Try to touch a mirage. Make a **Periscope** to see above and beyond!

**Sonic Sounds**

Uncover the source of sound! Tap into sound wave transmission and fill your ears with vibrations. Create a story with sound effects and change the pitch of your voice. Use your **Sonic Horn** to make some noise!

**Tantalizing Taste**

Exercise your sense of taste! Magnify your taste buds and unplug your nose. Compare flavors with your friends and try a carbonated test challenge. Sort out the scents in the **Scratch 'n Match** game!

**Watts-Up**

Charge up on static electricity! Make indoor lightning and conduct hair-raising experiments with our electro-static generator. Use your **Static Stick** to test the movement of electrons in your home!

- Classes may be cancelled due to low enrollment. If class is canceled due to exigent circumstances (e.g. inclement weather), we will try to reschedule, but cannot guarantee a make-up class.
- A full refund (less a \$10 processing fee) will be given if requested in writing and received by Mad Science within 5 business days after the first class. Email [info@madscienceofdc.com](mailto:info@madscienceofdc.com)
- MS is not responsible for your child prior to and after the scheduled class. Please make sure you pick up your child on time. We do allow a 10-minute grace period, and will charge you \$1/minute thereafter based on the school clock. This should be paid directly to the instructor.
