

Mad Science Sponsor-a-School Program

Mad Science of El Paso is proud to announce an exciting new collaborative program, which will allow local businesses and professionals to sponsor elementary schools with a gift of much needed science enrichment programs. The Sponsor-a-School program helps schools to inspire kids and raise their science awareness.

Make a Difference by sponsoring a school with
Mad Science Assembly
Science Fair, Thanksgiving, TAKS Rally

\$300 per 45-min assembly (\$275 each, two or more)

Up to 200 students (ages 5 & up) Adult Guests are Free!

We will acknowledge your sponsorship during the assemblies
and in the May issue of El Paso Scene for sponsorships of that academic year

Call 915-832-0118

How Can Businesses Participate?

1. Contact Mad Science of El Paso at 832-0118 or you can download a Sponsor-a-School enrollment form from our website.
2. Fill it out completely, and indicate (if you wish) any particular Mad Science programs which you would prefer to support.
3. Businesses may send their Sponsor-a-School payments **directly to Mad Science of El Paso**. In some instances, schools may receive a check from the sponsoring company to cover the costs of bringing Mad Science programs them.
4. Sponsored schools and Mad Science of El Paso will schedule together the specific programs, dates, and classes that will receive these programs.
5. Students will experience fun and educational hands-on science!

** Each assembly is for up to 200 students, and the shows are back to back.*

*** Certain conditions and restrictions apply to the Workshops, e.g., several workshops of the same title presented on a given day, and each workshop accommodates up to 20 students.*
