UNIQUE, FUN & INTERACTIVE!
Hands-On! Minds-On!
 We Also Bring
 Mad Science-hourly-programs
 to your camp location!

For
 Ages
 6-12

5
 LOCATIONS
 NEAR YOU

Camp 1 - RED HOT ROBOTS (Ages 7-12 only)
 Join us and learn about the uses of robots on our lives. Experiment with sound sensing robots, line-tracking robots, amphibious robots, and even robots that play soccer! Discover the world of circuits and sensors, and build a robot of your own to take home!

Camp 2 - MAD MACHINES
 Get into the minds of Da Vinci and Sir Isaac Newton. Check out the motions and forces of life! Inspire by nature's engineers, birds, ants, and spiders, and be like Robin Hood builds medieval gadgets.

Camp 3 - NASA: Journey into Outer Space
 Blast off into an exploration of outer space, and the technology that lets us live and work there. Welcome cadets, to the space academy!

Camp 4 - Earth & Nature Camp
 Explore the wonders of our incredible planet! From the birds and beasts, to the complex systems of life here, we will explore this third rock from the sun.

Camp 5 - SPY ACADEMY
 Venture into the world of detectives and spies. Use the science of cryptology to send and decode secret messages. Learn the tricks of the trade to become a crime scene investigator. Do you have the right stuff to be the next Sherlock Holmes or 007?

Camp 6 - CHE-MYSTERY
 Slimy, sticky, and sometimes icky, but always fun! Plastics, polymers, and crazy chemistry are everywhere. Check it out!
 *Some activities may vary according to the weather condition & space restricted.
