

# Birthday Parties!

## Give your child an AWESOME science-themed birthday party!

Choose from one of our Party Packages to create an experience they will never forget. Your very own Mad Scientist will come to your home or party location and wow your guests with a variety of cool, interactive experiments. All Party Packages include a hands-on take-home activity for all guests. Our awesome Grand Finale Activities offer an amazing conclusion to your Mad Science party. We even have cool Mad Science Goody Bags and Invitations available. Best of all, we handle all the set-up and clean-up, so there's no mess and no fuss for you!
