

Due to the large number of schools and classes, please refer to the online registration page on our website for all current class listing. If you have any questions about classes or how to register, please call Mad Science: 713-663-7623.

Mad Science After-School Class REGISTRATION FORM

Program Policies:

- All supplies and materials are included in the class fee.
- Classes generally meet for one hour, one day/week.
- There is a take-home activity each week.
- There is no class on scheduled holidays. If a class is canceled/not held for any reason, a make-up day will be scheduled and parents will be notified.
- Children in grades K-5 may be in the same classroom due to our inquiry-based learning approach.
- We do not pick up children from their classroom, so you may want to send a note to the child's teacher to remind them to go to Mad Science.
- If Mad Science takes registration for a class, we will attempt to call you (we may leave a message at your home and/or business) prior to the start of the program to confirm your child's enrollment and to inform you of the meeting location along with dismissal information.
- An alternate topic may be substituted without notice.
- Children must be picked up as soon as class is over. Mad Science is not responsible for children before or after stated class times. We reserve the right to charge a fee of \$1/minute after 10 minutes for late pick-up.
- Registrations are accepted on a first-come, first-served basis. The maximum class size is 20 students; minimum class size is 12 students (unless otherwise specified).
- Late registrations will be accepted based on space and must be secured with a credit card.

How to Register:

We're adding new classes all the time! For all current class listings (for which Mad Science takes registration), please visit madsience.org/houston and click on Registration button. Locate your school from that list, and either register online or use this form.
