

# Mad Science Saturday Workshops Registration Form

## School is OUT, Mad Science is IN!!!

### January 16, 2010 - February 6, 2010

#### Experiencing NASA

\$45 (\$40 if registered before 1/9/2010) • 10am-11am  
AGES 6-12

Get ready to blast off as Mad Science and NASA team up and take students on an in depth look at space, planets, stars and MORE!!! Children will build a rocket and learn about the technology astronauts use in space!

#### My First Lab

\$40 (\$35 if registered before 1/9/2010) • 10am-10:30am  
AGES 3-5

Preschoolers will journey through the basics of science exploration and discovery. We will study the science behind air, music, water and much more!!!

### February 13, 2010 - March 6, 2010

#### Crazy Chemistry

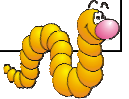

\$45 (\$40 if registered before 2/6/2010) • 10am-11am  
AGES 6-12

Children will find out why chemistry is so much fun with these fun and exciting workshops. We'll explore the basics of chemistry with some radical reactions and slippery SLIME!

#### Amazing Animals

\$40 (\$35 if registered before 2/6/2010) • 10am-10:30am  
AGES 3-5

Introduce children to the animal kingdom. Learn about buzzing insects, sea creatures and worms! We will take preschoolers back in time on a mini dinosaur dig and they will also make their own T-rex tooth cast!

### March 27, 2010 - April 17, 2010

#### Going Green

\$45 (\$40 if registered before 3/20/2010) • 10am-11am  
AGES 6-12

In this session children will discover what cool things the earth has to offer and what they can do to keep it healthy. Through fun experiments, students will learn about the 3 R's, make their own ecosystem and find out why garbage is so cool!!!

#### My 5 Senses

\$40 (\$35 if registered before 3/20/2010) • 10am-10:30am  
AGES 3-5

These workshops will introduce children to their 5 senses! Our fun, interactive experiments will allow them to use their 5 senses and discover why they are so important!

### April 24, 2010 - May 15, 2010

#### All That Matters

\$45 (\$40 if registered before 4/17/2010) • 10am-11am  
AGES 6-12

Bring your magnifying glass...we are going to a microscopic level! Children will learn all about atoms and molecules and how they react when they heat up, cool down and go through different types of pressure!

#### Coloring With Science

\$40 (\$35 if registered before 4/17/2010) • 10am-10:30am  
AGES 3-5

Mad Science will splash some color to your Saturday morning with these workshops! Preschoolers will discover new colors by mixing different colors together, learn that light is made of colors, too and be introduced to a new friend; ROY G BIV!!!

### To Register

Visit our website at [www.madscience.org/houston](http://www.madscience.org/houston), fax this form to 713-663-7664 or call our Lab at 713-663-7623. Registration will be taken until a session is full. A session may be cancelled if minimum number of children is not met. For a school age session to run, a minimum of 12 children is required (20 maximum). For a preschool session to run, a minimum of 10 children is required (15 maximum). If a session cancels, refunds will be issued within 14 days.
