

THANK YOU !!!!!

Scott and Company,

At long last here is the CD I promised. Professional photographers we are not but there are quite a few good ones. At the end there are several short movie clips that I hope you can open. It was a first- time try with one of the ladies camera so the quality isn't very good but you can see and hear how much fun the kids had.

Again, I can't thank you enough for the wonderful people and program you sent to our students. We are looking forward to the new Non Smoking program.

Sincerely,

A handwritten signature in cursive script that reads "Michele Brown".
