

### Discover Our World

Recommended Grades: Entering 1st-5th

Explore Earth science, weather phenomena, and experiment with some kitchen chemistry! Uncover the vital role science plays in detective work, examine the science behind popular toys, and get a buzz out of the amazing world of insects! Students will build their own Mad Science Machine, and create their very own short animated cartoon! Mix Up some crazy concoctions and you're guaranteed to have a BLAST in Energy Burst! Be electrified by the science of circuits. And don't forget, you come home with your own cool experiment after each class!

|                               |                       |              |           |                                  |
|-------------------------------|-----------------------|--------------|-----------|----------------------------------|
| St. Francis of Assisi         | 6/6/2011 - 6/10/2011  | 1:00 - 4:00  | No Thurs. | register.madscience.org/midsouth |
| Mad Science Lab               | 6/27/2011 - 7/1/2011  | 9:00 - 12:00 |           | register.madscience.org/midsouth |
| St. George Independent School | 7/18/2011 - 7/22/2011 | 12:00 - 3:00 |           | register.madscience.org/midsouth |

### Crazy Chemworks

Recommended Grades: Entering 1st-5th

Become a lab scientist-in-training in this whirlwind program and explore the chemistry of everyday life! Learn to recognize chemical reactions and mix up a few reactive ingredients for some EXPLOSIVE results! Discover amazing things that come to light and glow bright in the dark! Stick it to the walls, and push the power of tape to the limits in an adhesive hour on things that cling! Enter the Slime Olympics. Crazy Chemworks is bubbling over with crazy concoctions and cool experiments to wow your Mad Scientist!

|                               |                       |              |         |                                  |
|-------------------------------|-----------------------|--------------|---------|----------------------------------|
| St. George Independent School | 6/20/2011 - 6/24/2011 | 8:30 - 11:30 |         | register.madscience.org/midsouth |
| Christ Methodist Day School   | 6/13/2011 - 6/17/2011 | 9:00 - 12:00 |         | (901) 261-2147                   |
| Briarcrest Houston Levee      | 7/11/2011 - 7/15/2011 | 1:00 - 4:00  | No. Wed | (901) 765-4620                   |
| Hutchison School              | 7/11/2011 - 7/15/2011 | 1:00 - 4:00  |         | (901) 507-2461                   |

### NASA: Journey Into Outer Space

Recommended Grades: Entering 2nd-6th

From our Earth's atmosphere to the outer reaches of our solar system, this hands-on program sends campers on a quest for exploration! Comets, planets, stars and more are all waiting to be discovered. Learn about the four forces of flight, the challenges of space travel, and even participate in a rocket launch!

|                                      |                       |              |         |                                  |
|--------------------------------------|-----------------------|--------------|---------|----------------------------------|
| St. Mary's Episcopal School Pursuits | 7/4/2011 - 7/8/2011   | 9:00 - 12:00 | No Mon  | (901) 537-1415                   |
| Harding Academy-Cordova              | 7/11/2011 - 7/15/2011 | 9:00 - 12:00 | No Fri. | (901) 767-5344                   |
| St. George Independent School        | 7/11/2011 - 7/15/2011 | 12:00 - 3:00 |         | register.madscience.org/midsouth |

### Detective Discovery

Recommended Grades: Entering 1st-5th

Step into the shoes of a detective—uncover the science involved in evidence gathering and analysis. Become a super sleuth and learn clever ways of performing tasks in this hands-on view of the science spies use. From decoding messages to metal detectors and night vision, campers will have the opportunity to check out spy equipment, and discover the technological tools of detection!

|                         |                       |              |          |                |
|-------------------------|-----------------------|--------------|----------|----------------|
| Harding Academy-Cordova | 6/6/2011 - 6/10/2011  | 9:00 - 12:00 | No. Fri. | (901) 767-5344 |
| Hutchison School        | 7/11/2011 - 7/15/2011 | 9:00 - 12:00 |          | (901) 507-2461 |

### Mini-Mad Scientist

Recommended Grades: Entering PK-SK

The Mini-Mad Scientist Camp was developed especially for children ages 4-6 and includes some of children's favorite science topics. Students will dig for dinosaurs, create a volcano, and see the world through the eyes of a bug. They will also investigate the power of air, play with polymers, explore outer space, and shoot off a rocket. Each day they will come home with a cool experiment!

|                                 |                       |               |          |                                  |
|---------------------------------|-----------------------|---------------|----------|----------------------------------|
| St. George's Independent School | 6/13/2011 - 6/17/2011 | 8:30 - 11:30  |          | register.madscience.org/midsouth |
| Briarcrest-Houston Levee        | 6/13/2011 - 6/17/2011 | 12:00 - 2:00  | No Wed   | (901) 765-4620                   |
| Harding Academy-Cordova         | 6/20/2011 - 6/24/2011 | 10:30 - 12:30 | No Fri.  | (901) 767-5344                   |
| Briarcrest Christian-East       | 6/20/2011 - 6/24/2011 | 12:00 - 2:00  | No. Wed. | (901) 765-4620                   |
| Hutchison School                | 6/20/2011 - 6/24/2011 | 1:00 - 4:00   |          | (901) 507-2461                   |
| St. Francis of Assisi           | 7/18/2011 - 7/22/2011 | 9:00 - 11:00  |          | register.madscience.org/midsouth |

### Junior Scientist

Recommended Grades: Entering PK-SK

Spark the imagination of your Little Einstein. Discover the power of water and the ocean through fun and interactive experiments. Learn to make healthy food choices and investigate the wonders of the body through games and awesome demonstrations. Explore the rainbow of colors in the world, magical magnets, and use toys to investigate energy. Students come home with their own fun activity each day.

|                                      |                       |               |        |                                  |
|--------------------------------------|-----------------------|---------------|--------|----------------------------------|
| St. Mary's Episcopal School Pursuits | 6/6/2011 - 6/10/2011  | 12:00 - 3:00  |        | (901) 537-1415                   |
| Christ Methodist Day School          | 6/6/2011 - 6/10/2011  | 9:00 - 11:00  |        | (901) 261-2147                   |
| Hutchison School                     | 6/20/2011 - 6/24/2011 | 9:00 - 12:00  |        | (901) 507-2461                   |
| Harding Academy-Cordova              | 7/4/2011 - 7/7/8/11   | 10:30 - 12:30 | No Mon | (901) 767-5344                   |
| Mad Science Lab                      | 7/25/2011 - 7/29/2011 | 10:30 - 12:30 |        | register.madscience.org/midsouth |
| St. George Independent School        | 7/11/2011 - 7/15/2011 | 8:30 - 11:30  | No Fri | register.madscience.org/midsouth |
