

Mad Science of Mt. Diablo Special Event Information Pricing Sheet

FUN STATIONS

Our fascinating science stations come equipped with exciting hands-on science activities.

Hands on Booth with no take home:

\$175 for the 1st hour

\$125 for every hour following

***There is a \$50 Travel Fee for Marin and San Francisco Counties*

Optical Illusions

What is an optical illusion? Children will be amazed as their eyes play tricks on them as they investigate hands on optical illusions. Students will learn what optical illusion are and the science behind them.

Dry ice

Mad Scientists will carefully use dry ice to concoct Bubbling Potions, color-changing mixtures and grandiose fog effects with Dry Ice! A sure success with kids of all ages!

Magnetism

Experience the invisible force that affects so many systems in our world. Kid-friendly experiments demonstrate how magnetism is harnessed and used. Kids interact with a magnet in motion, and levitating tops.

Hands on Booth with a Take Home:

Number of Kids	1st Hour	Every Hour Following
Up to 50	\$200	\$125
Up to 100	\$250	\$125
Up to 200	\$300	\$125
Up to 300	\$350	\$125

***There is a \$50 travel fee for Marin and San Francisco*

Slippery Slime

Learn the basics of polymer construction and molecular bonding while making a batch of slippery slime to take home. Watch as your children create a mixture that transforms from a liquid to ooey, gooey slime before your very eyes!

Super Ball

Children choose from a colorful variety of specialized polymer crystals to fill a mold and construct their very own super ball.
