MAD SCIENCE

We bring fun science to you!

After School Science Enrichment Programs — 8 classes

Crazy Chem Works

Slime Time
Ooze into a gooey hour of sliming around! Create slime using the Mad Science recipe and enter the Slime Olympics! Take home your own concoction of Mad Science Slime!

Dry Ice Capades
Manipulate matter in all of its three states! Melt metal in boiling water and freeze water with just a breath of dry ice! Use your Thermocolor Cup to test the temperature of liquid matter in your home!

Icky Sticky Stuff
Stick it to the walls and push the power of tape to the limits in this adhesive hour on things that cling! Build a bond with glue and get attached to Professor Beakerdude!

Chem in a Flash
Hop on board the chemistry express for a high-speed science experience! Perform instantaneous experiments in a fast-paced class on split-second reactions that go like mad! Pick up an Action Flask and have a blast with chemistry at home!

Lab Works
Use your hands as a real Mad Scientist in this whirlwind class on how a lab works! Learn to manipulate laboratory equipment at your personal lab bench. Take home your very own Graduated Gear to continue your research!

Junior Reactors
Create a tiny world of atoms with your very own set of Atomic Coins! Learn to recognize chemical reactions. Mix up a few reactive ingredients for some sensational results!

pH Phactor
Slide down the colorful pH scale and dip into the world of acids and bases! Explore the pH extremes with your Reaction Tube in what is sure-to-be a popping experience! Discover whether liquids found in your home are acids or bases using your personal pH Paper!

The Glow Show
Discover amazing things that glow bright in the dark and come to light! Probe the properties of light and explore some unusual applications of glow-in-the-dark technology! Use your Blacklight Writer to make secret messages that only you can see!
