MAD SCIENCE CONDUCTS FUN AND EXCITING SHOWS, WORKSHOPS AND HANDS-ON SCIENCE ACTIVITIES FOR SCHOOL, LIBRARIES, BOOK STORES, AMUSEMENT PARKS, CAMPS, SCOUTS, COMPANY EVENTS AND BIRTHDAY PARTIES THROUGH WESTERN NEW ENGLAND

This show has toured all over Western New England to rave reviews!

“Mixing images from books and myths of Medieval wizardry with his own brand of ‘magic’ science, Chris Babb-Cheshul, as the Wizard, entertained the assembled...with over an hour of demonstration, experiments and audience participation.”

Debbie Gardner
The Reminder

“Your recent Mad Science program was a huge success at our library! The clever scientific demonstrations and hand-on experiments were a big hit, and your charismatic personality was especially appealing. Your program was entertaining and exciting, yet also informative.”
